## Give a Little...

Dogs may be in, but  
Cats are where it's at!

## ....Get a lot!

Give the gift of love to yourself and your family by giving an animal a forever home.

All of us here at the Humane Society, both staff and volunteers, want to wish all our supporters a happy holiday season. Thank you for your gifts and your hard work that enable us to fulfill our mission to our community.

Please continue your support throughout the upcoming year.

Our goal is to provide humane treatment of all of God's creatures as well as health and safety to all the residents of the communities we serve.

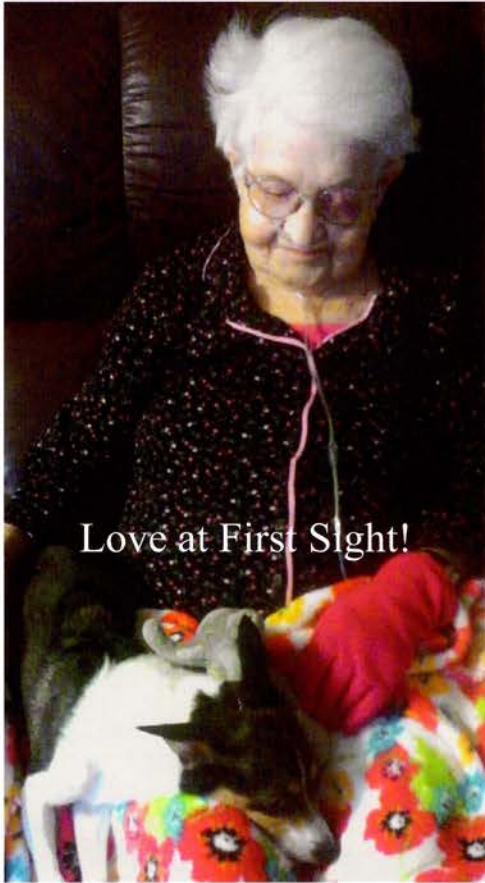

By reducing the homeless animal population we are helping to create a healthier and safer place to live.

**Please Remember Your Christmas Donation is Fully Tax Deductible. We Thank You So Much.**

# Our Mission is Saving Animals' Lives & Enriching Human Lives

## Christmas is a Season for Love & Giving

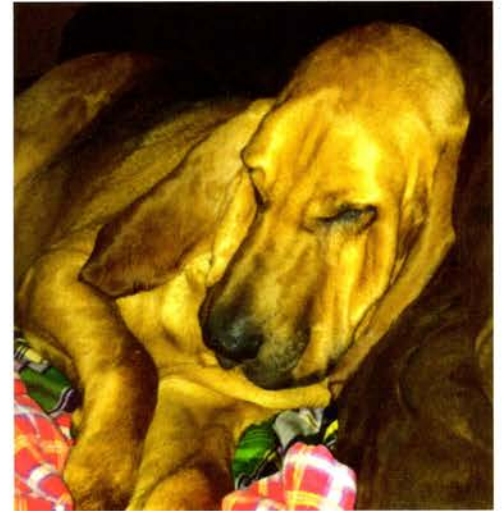

Love at First Sight!

**Dory** has settled in her new home. She got in the chair with my mother in law on her own. Mom has Alzheimer's. We made a good choice. Thank you.

**Shelby** has been great since we picked her up from the shelter. She loves chasing the kids on their scooters when we take her for walks. She is also learning a lot on potty training. Our older dog Digby has been helping with that. Hope her brother and sister find great homes too. Joslyn/ Shelby is a great little girl. Thank you.

**Cletus** has adjusted well and is a great dog! He is great on a leash and we walk about a mile each evening when it has cooled down. He loves being brushed and adores my home-made pumpkin dog bones. I just wanted to say Thank You for taking care of him until I adopted him!

UCHS; "Thank you all for saving the lives of each of the dogs pictured here."

## For the Love of Cats

We think having a cat is a privilege. We wish everyone did. Sadly many people still view them as self sufficient hunters that don't require food, water, shelter or veterinary care. We are constantly looking for new ways to encourage cat adoptions and invite you to help.

**Sponsor the adoption of one of our cats of your choice by prepaying the adoption fee for someone else.**

**Or help stop the spread of homeless cats by paying for a spay or neuter for a friend or neighbor. Cats need your help.**

**UCHS goes the distance.** Peaches enjoys her new home in Nova Scotia, our furthest placement. It took 6 weeks to finalize the transport, but she was definitely worth it.

# Ride Like An Animal...Rides Again!

The Shelter's 6th Annual Ride was a huge success in spite of the rain and the cold temperature.

Our loyal motorcycle supporters showed up and again proved that they are a very generous group of animal advocates. Words can hardly express our gratitude.

God Bless You All.
