Life in the Cat Cottage is not bad but a Forever Home would be better.

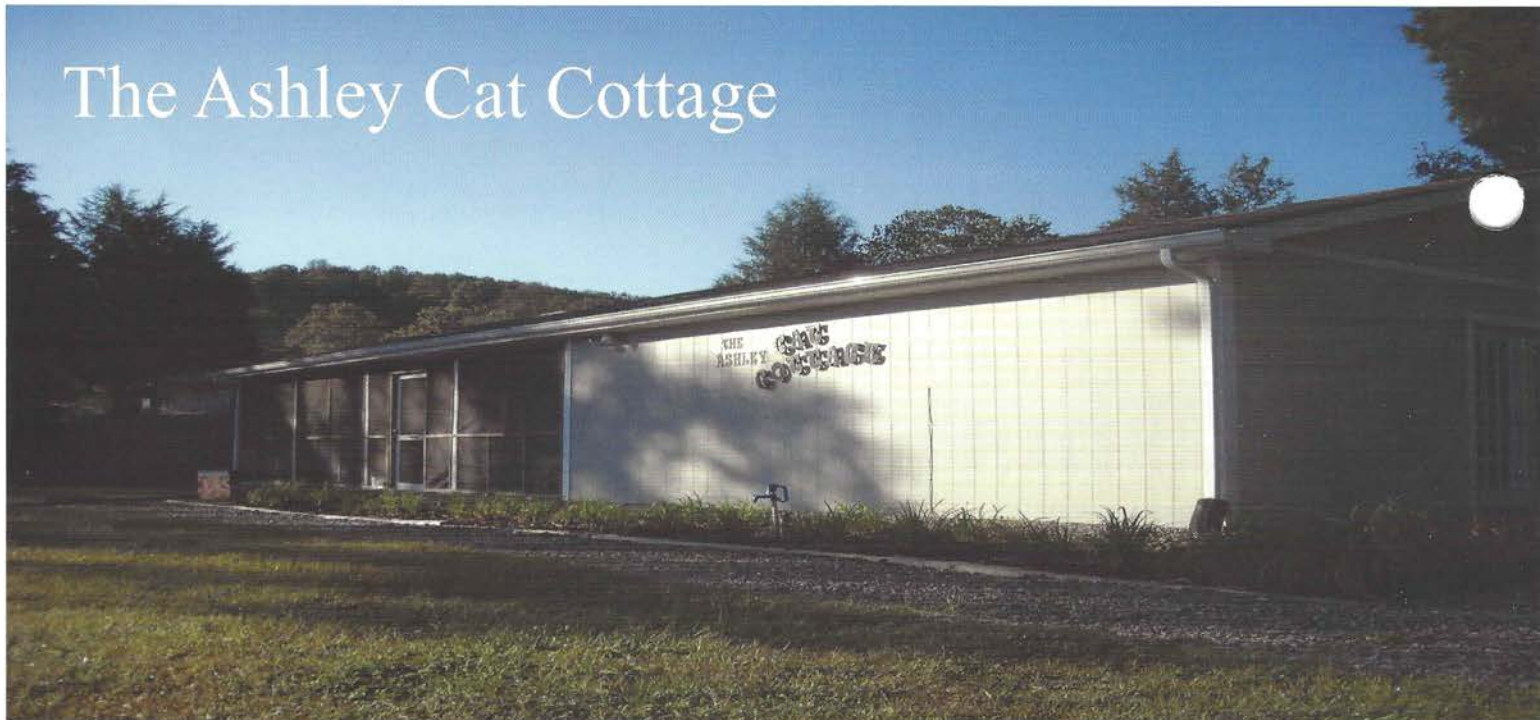

*Treat time for the Cats*

Our Cat Cottage is one of the most pleasant places to visit at the shelter. This facility is designed to give our feline residents a comfortable environment for all the cats as they wait for their forever homes. There are pillow beds enough for all the cats. Water fountains with flowing fresh water. Little condos for the shy ones to retreat into until they get used to the other cats.

Our cleaning volunteers also try and make time for petting sessions and inspect them for runny eyes or other signs that show they may need attention from our medical staff. Toys, scratching post and trees to climb for exercise are all part of cat amenities for them to enjoy. All this plus a screened in porch to help bring a little of the outside in where they can watch birds and other critters scurrying about. Stop in for a visit. They love company.

# The Ashley Cat Cottage

The Ashley Cat Cottage is named for the Donors who got us started with the purchase of land for the Union County Humane Society. This is where we house all of our adoptable adult cats waiting for forever homes.

## *Looking for a lap cat?*

If your looking for a lap cat, we have lots of them. We always have a variety of breeds. You can find a simple domestic Tabby, or exotic breeds such as Siamese, Bengals or Persians. All of our cats are neutered or spayed, have all up-to-date shots, feline leukemia test and a microchip to identify your precious friend if it's ever lost or stolen.

All this for a low adoption fee \$125.

*Will you give us a hand,  
Please?*

We are always in need of help. Donations are our life's blood to continue our work. If you are able to make a donation we will be very grateful. We accept cash, check or credit card. Please stop in or mail your donation at or to our address on the mailing side of this newsletter. Thank you.

### *Kittens, Kittens, Kittens and more Kittens*

There are always an abundant supply of kittens here to choose from. Make sure you visit the kitten room and take advantage of the Two-For-One Sale. We'll even throw in some kitten food.

## Ride Like an Animal is a big success.

Fabulous weather and support from the Blood Brothers Motorcycle Club of Knoxville as well as riders from Union and adjacent counties made this fourth annual ride very successful. 95 registered motor cycles, 140 riders and passengers, donations from area businesses and individuals netted more than \$7,000 for the Shelter. Newly elected Union County mayor Mike Williams was in attendance to wish the riders a safe and beautiful ride through scenic Union and Claiborne counties. The 100 mile ride ended at Beach Island Marina with food, door prizes and music at Bubba Brews restaurant on beautiful Norris Lake. All proceeds from the event will help the Union County Humane Society's mission to prevent cruelty to animals, help find homes for homeless animals, and provide value to the county by reducing the over population of stray and abused animals.

*Blood Brothers Motorcycle Club of Knoxville, law enforcement officers, supported the ride in memory of a fallen member.*

## SPECIAL ISSUE

## FOR THE CATS

### *A Two-For-One Sale!*

You can have two for the price of one. That's twice as much fun! Adopting two is good for you and the cats. When you're away during the day the cats have each other for companionship. When you're at home you'll have two treasured companions to enjoy for the rest of their lives

### Featured Cat: SAGE

His name is Sage. His name is a reflection of his personality. He is very laid back and wise. He gets along well with other cats but he prefers people. Sage is just flat out beautiful! His Bengal markings and his sleek and agile warm gray body make him seem almost regal. We have lots of beautiful cats with wonderful dispositions, but, Sage is special.
